

# Envirotrade

Certificate No: 11-0050

This is to certify that

*Climate Africa*

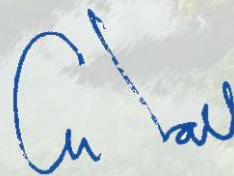

has purchased a carbon offset quantity (tCO<sub>2</sub>) of

*4 tonnes*

certified under the **Plan Vivo** standard

from

*The Sofala Community Carbon Project  
Gorongosa, Mozambique*

**Charles J Hall**  
Chief Executive  
Envirotrade Carbon Limited

**Purchase Date:** 04 August 2011

**IMPORTANT:** This certificate is a confirmation that the above quantity of carbon offset has been purchased from Envirotrade Carbon Limited. The offset certificate is issued independently by the Plan Vivo Foundation and registered and retired on the **Markit Environmental Registry** which will occur in the next annual reporting cycle.
